

**RESOLUTION
OF THE
PLAYERS CROSSING AT PLUM CREEK VILLAGES, INC.
REGARDING POLICIES AND PROCEDURES FOR COVENANT AND RULE
ENFORCEMENT**

SUBJECT: Adoption of a policy regarding the enforcement of covenants and rules and procedures for the notice of alleged violations, conduct of hearings and imposition of fines.

PURPOSE: To adopt a uniform procedure to be followed when enforcing covenants and rules to facilitate the efficient operation of the Association.

AUTHORITY: The Declaration, Bylaws and Articles of Incorporation of the Association and Colorado law.

**EFFECTIVE
DATE:**

JANUARY 1, 2013

RESOLUTION: The Association hereby adopts the following procedures to be followed when enforcing the covenants and rules of the Association:

1. Reporting Violations. Complaints regarding alleged violations may be reported by an owner or resident within the community, a group of owners or residents, the Association's management company, if any, Board member(s) or committee member(s) by submission of a written complaint.
2. Complaints. (a) Complaints by owners or residents shall be in writing and submitted to the Board of Directors. The complaining owner or resident shall have observed the alleged violation and shall identify the complainant ("Complainant"), the alleged violator ("Violator"), if known, and set forth a statement describing the alleged violation, referencing the specific provisions which are alleged to have been violated, when the violation was observed and any other pertinent information. Non-written complaints or written complaints failing to include any information required by this provision may not be investigated or prosecuted at the discretion of the Association. (b) Complaints by a member of the Board of Directors, a committee member, or the manager, if any, may be made in writing or by any other means deemed appropriate by the Board if such violation was observed by the Director or manager.

3. Investigation. Upon receipt of a complaint by the Association, if additional information is needed, the complaint may be returned to the Complainant or may be investigated further by a Board designated individual or committee. The Board shall have sole discretion in appointing an individual or committee to investigate the matter.
4. Initial Warning Letter. If a violation is found to exist, a warning letter shall be sent to the Violator explaining the nature of the violation. The Violator will have anywhere from 14 to 30 days, depending on the violation, from the date of the letter to come into compliance. In any case, the amount of time given for compliance shall be stated in the initial warning letter. The foregoing procedure will not be used, however, in the event the violation is determined by the Board to be a Repetitious Violation as defined in paragraph 12 of this policy. In such event, the procedure outlined in paragraph 12 shall be followed.
5. Continued Violation After Initial Warning Letter. If the alleged Violator does not come into compliance within the time frame allotted, this will be considered a second violation for which a fine may be imposed following notice and opportunity for a hearing. A second letter shall then be sent to the alleged Violator, providing notice and an opportunity for a hearing, and explaining if a violation is found to exist, a fine may be imposed pursuant to this Policy. The letter shall further state that the alleged Violator is entitled to a hearing on the merits of the matter provided that such hearing is requested in writing within 10 days of the date on the second violation letter. The foregoing procedure will not be used, however, in the event the violation is determined by the Board to be a Repetitious Violation as defined in paragraph 12 of this policy. In such event, the procedure outlined in paragraph 12 shall be followed.
6. Notice of Hearing. If a hearing is requested by the alleged Violator, the Board, committee or other person conducting such hearing as may be determined in the sole discretion of the Board, may serve a written notice of the hearing to all parties involved at least 10 days prior to the hearing date.
7. Hearing. At the beginning of each hearing, the presiding officer, shall introduce the case by describing the alleged violation and the procedure to be followed during the hearing. Each party or designated representative, may, but is not required to, make an opening statement, present evidence and testimony, present witnesses, and make a closing statement. The presiding officer may also impose such other rules of conduct as may be appropriate under the given circumstances. Neither the Complainant nor the alleged Violator is required to be in attendance at the

hearing. The Board shall base its decision solely on the matters set forth in the Complaint, results of the investigation and such other credible evidence as may be presented at the hearing. Unless otherwise determined by the Board, all hearings shall be open to attendance by all Owners. After all testimony and other evidence has been presented at a hearing, the Board shall, within a reasonable time, not to exceed 10 days, render its written findings and decision, and impose a fine, if applicable. A decision, either a finding for or against the Owner, shall be by a majority of the Board members present at the hearing. Failure to strictly follow the hearing procedures set forth above shall not constitute grounds for appeal of the hearing committee's decision absent a showing of denial of due process.

8. Failure to Timely Request Hearing. If the alleged Violator fails to request a hearing within 10 days of the second letter, or fails to appear at the hearing, the Board may make a decision with respect to the alleged violation based on the Complaint, results of the investigation, and any other available information without the necessity of holding a formal hearing. If a violation is found to exist, the alleged Violator may be assessed a fine pursuant to these policies and procedures.

9. Notification of Decision. The decision of the Board, committee or other person, shall be in writing and provided to the Violator and Complainant within 30 days of the hearing, or if no hearing is requested, within 30 days of the final decision.

10. Fine Schedule. The following fine schedule has been adopted for all recurring covenant violations:

First violation	Warning letter
Second violation (of same covenant or rule)	\$25.00
Third violation (of same covenant or rule)	\$50.00
Fourth violation (of same covenant or rule)	\$100.00

Fourth and subsequent covenant violations may be turned over to the Association's attorney to take appropriate legal action. Any Owner committing three (3) or more violations in a six (6) months period (whether such violations are of the same covenant or different covenants)

shall be immediately turned over to the Association's attorney for appropriate legal action.

11. Continuous Violations. Continuous violations are defined as violations of Owner obligations that are uninterrupted by time. Each day of noncompliance with such violations constitutes a separate violation. *For example: the failure to remove an unapproved exterior improvement or the continuous parking in a fire lane.*

If an Owner is determined as having a continuous violation, in accordance with the terms of this Policy, such Owner may be subject to a weekly fine per covenant violation if not corrected, following a notice and opportunity for a hearing as set forth above. Violations which pose a safety risk to the community shall be considered a Continuous Violation and subject to weekly fines.

12. Repetitious Violations. Repetitious Violations are defined as a series of identical or substantially similar individual violations that occur repeatedly or continuously within a period of time to be determined in the discretion of the Board, with each individual violation separated by a period of no less than 1 day, nor more than 90 days, the result of which is a pattern of violations of the same covenant restriction. In the event of such Repetitious Violation, in the discretion of the Board, each instance of noncompliance may constitute a separate violation, and the Board shall not be required to provide a period of days from each violation for the alleged Violator to come into compliance. A warning letter shall be sent for the first violation in the series. After the warning letter, the Board may cause violation notices to be sent for each violation in the series stating the amount of the fine to be imposed (pursuant to the Fine Schedule in paragraph 10), and giving notice and an opportunity for a hearing. The Board shall individually consider each violation for which a hearing is requested, but is permitted to combine any and all hearings requested for Repetitious Violations on one date.

Examples of Repetitious Violations include, but are not limited to repeatedly or continually parking a restricted recreational vehicle in the community, repeated failure to remove and store a portable basketball hoop, and failure to remove excessive weeds growing on a lot. In each one of these examples, the Owner will receive a warning letter on the first instance of the violation. On the second and subsequent instances of the violation, the owner will receive a fine letter which fine shall be determined by the Board of Directors and notice and opportunity for a hearing. If hearings are requested, the Board may set them all on the same date.

13. Waiver of Fines. The Board may waive all, or any portion, of the fines if, in its sole discretion, such waiver is appropriate under the circumstances. Additionally, the Board may condition waiver of the entire fine, or any portion thereof, upon the Violator coming into and staying in compliance with the Articles, Declaration, Bylaws or Rules.

14. Other Enforcement Means. This fine schedule and enforcement process is adopted in addition to all other enforcement means which are available to the Association through its Declaration, Bylaws, Articles of Incorporation and Colorado law. The use of this process does not preclude the Association from using any other enforcement means.

15. Definitions. Unless otherwise defined in this Resolution, initially capitalized or terms defined in the Declaration shall have the same meaning herein.

16. Supplement to Law. The provisions of this Resolution shall be in addition to and in supplement of the terms and provisions of the Declaration and the law of the State of Colorado governing the Project.

17. Deviations. The Board may deviate from the procedures set forth in this Resolution if in its sole discretion such deviation is reasonable under the circumstances.

18. Amendment. This policy may be amended from time to time by the Board of Directors.

CERTIFICATION: The undersigned, being the President of the Association certifies that the foregoing Resolution was adopted by the Board of Directors of the Association, at a duly called and held meeting of the Board of Directors on this November 26, 2012 and in witness thereof, the undersigned has subscribed his/her name.
