

Saxony Homeowners Association, Inc.

MARCH 2016 NEWSLETTER

It begins to look like Spring around Saxony, but then it snows again. GroundMasters has done a second "Fall" clean-up and still needs to come back to complete the job. Snow again has interfered with their schedule. Outdoor work, such as landscaping tree trimming and painting, is on hold until Spring truly arrives

The February newsletter announced the establishment of a Landscape Advisory Committee in response to suggestions made at the Annual Meeting. The Board is still looking for volunteers who are interested in being appointed to the Committee. Please contact Saxony Manager Dave Littler or a board member by March 30, 2016 if you would like to serve the community in this capacity.

The Board has taken steps to meet with the Association's attorney to begin the process of amending the governing documents. Please send any concerns or suggestions about the Declarations, By-Laws or Articles of Incorporation to Dave Littler or a board member.

Dave Littler scheduled a meeting with a new contractor to discuss possible stucco wall repairs. The contractor did not appear. We are waiting to see if the meeting is rescheduled.

You should have received the voluntary Homeowners Directory. If you are not included (both homeowners and renters) and wish to be, please contact Dave Littler for the form. We must have your written permission to include your information.

The Board has reviewed the Saxony Resolution regarding Procedures for the Conduct of Meetings with the aim of improving the management and flow of Board and Annual meetings.

The next Board meeting will be held Tuesday, March 29, 2016, at 6:00 PM at the home of Dennis Bierschbach (9691). If you wish to attend, please check with Dave Littler or a Board member.
